

Dear Good Shepherd Supporters,

We would like to express our deep and sincere appreciation for your generosity in support of our 2018 Good Shepherd Ministries Spring Gala! Your personal commitment to helping financially allowed us to reach our goal for the Gala and helps in our clients in their pursuit of a drug free lifestyle. But even more, to the families who await the time when their loved one can find faith, hope and love in a healthy lifestyle!

Thank you for "Helping us help others!"

Greetings from Good Shepherd Ministries!

A lot of great blessings are happening at Good Shepherd Ministries. We had a great turn out at the Lavender Festival and were able to send the clients and their children to Kings Island thanks to the Prell family and Peaceful Acres Lavender Farm. Thank you to Mike Elsass Freelance Artist (studio on 1001 E. 2nd Street, Dayton, OH 45402), Lori Simms Parks Leadership Development at the Life Enrichment Center, and Infinity of Dayton, and Evans family for donating over \$1,500.00 to the ministry. A big thanks to Vicky Kettering for donating her painting proceeds to the ministry. She has beautiful paintings and is very giving. Check her art work out on the Etsy website. You can check out all of our other great supporters online at thegsm.net. Check out daily updates on our **Facebook page GOOD SHEPHERD MINISTRIES Dayton, Ohio. You can click donation to donate to the ministry.** Also, Thanks to Food for the Journey and Life Enrichment Center for all they do to help support us. We have really had to make a lot of tough cut backs (even on our newsletters) and put some of our projects on hold due to the ministries growth, vehicle and house maintenance, and increase in utilities cost, fuel prices, our increase in size, and the needs of our clients. We have tripled in size in which has placed a strain on our finances. We are in desperate need to finish the final unit at our 261 Linden Avenue house (**a lot of setbacks regarding electrical and plumbing issues**) which will provide three more beds for potential recovering clients and could save three more lives. In order to provide these services, we rely on God and the Generosity of those who share our burden for our clients and our vision for their healing and restoration. The task is always great and ongoing. **So, any donation would help at this point \$10.00, \$20.00, \$100.00, \$1,000.00 will go towards helping us in saving more lives from this deadly epidemic.** If anyone knows a way to get discounted building materials, know any volunteer carpenters or dry wall finishers, let us know. **PLEASE HELP US HELP OTHERS!**

Thank you & God Bless,

From all of us at the Good Shepherd Family!
